

Speed Queen.

How can I protect myself from COVID-19 in Speed Queen laundries?

The cleanliness and hygiene of your clothes are important in the fight against the Coronavirus.

1. Do not stay in the laundry during wash cycle.
2. Use mask and gloves in the establishment.
3. Wash your hands frequently.
4. Keep the safety distance of at least 1 meter.
5. Avoid touching your eyes, nose and mouth.
